In Regular Session Commencing Tuesday, January 3, 2017**

SENATE BILL NO. 2152
(Senators Laffen, Hogue, Poolman)
(Representatives Kasper, Nathe, Delmore)

AN ACT to create and enact a new section to chapter 44-04 of the North Dakota Century Code, relating to public employment hiring practices and confidentiality of some applications.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. A new section to chapter 44-04 of the North Dakota Century Code is created and enacted as follows:

Applications for public employment - Hiring process - Confidential records and open records.

If a public entity or any person delegated authority by a public entity to review applications or make hiring decisions receives applications from three or more applicants who meet the minimum qualifications for a vacant position, the public entity or other person shall designate three or more of the qualified applicants as finalists for further consideration before the public entity or other person may issue an offer of employment to fill the position. However, if the public entity or other person does not wish to consider any of the applications further and decides not to make an offer of employment for the vacant position, the public entity need not designate any finalist. The applications and any records related to the applications which contain information that could reasonably be used to identify an applicant are confidential, except records related to finalists are open to the public after the finalists are designated. The public entity or other person reviewing applications on behalf of the public entity shall comply with all requirements for an executive session to discuss confidential applications. If, by the close of the application period for a vacant position, a public entity receives applications from fewer than three applicants who meet the minimum qualifications, the applications and records related to the applications are open to the public.
