

# ELECTION OBSERVERS

---

- ▶ Election observers **may not interfere** with any voter preparing to cast a vote or prevent elected officials from performing their official duties.
- ▶ Election observers **may not cause any disturbances or obstruct voters or election officials** on their way to or at polling locations.
- ▶ Election observers may not wear any campaign materials advocating for or against a candidate or position on the ballot.
- ▶ Polling locations will designate a space for election observers that does not infringe on voter privacy.
- ▶ Election observers must be allowed access to all stages of the election process. Any person who does not appear on the ballot, may be an election observer.
