BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Section 54-06-14.4 of the North Dakota Century Code is amended and reenacted as follows:

54-06-14.4. State employee leave for organ or bone marrow donation.

The executive officer in charge of a state agency may grant a leave of absence, not to exceed twenty workdays, to an employee for the purpose of donating an organ or bone marrow. Notwithstanding the limitations for the donation and use of donated leave under ~~sections 54-06-14.1 and 54-06-14.2~~ section 2 of this Act, an employee may request and use donated annual leave or sick leave for the purpose of donating an organ or bone marrow. If an employee requests donations of sick leave or annual leave, but does not receive the full amount needed for the donation of an organ or bone marrow, the executive officer of the state agency may grant a paid leave of absence for the remainder of the leave up to the maximum total of twenty workdays. The executive officer of the state agency may require verification by a physician regarding the purpose of the leave requested and information from the physician regarding the length of the leave requested. Any paid leave of absence granted under this section may not result in a loss of compensation, seniority, annual leave, sick leave, or accrued overtime for which the employee is otherwise eligible.

SECTION 2. A new section to chapter 54-06 of the North Dakota Century Code is created and enacted as follows:

State leave sharing program - Rulemaking.

1. The human resource management services division of the office of management and budget shall establish a state leave sharing program for permanent employees of the state. The program must provide for a mechanism for state employees to donate accrued annual and sick leave to an employee who does not have available leave who is suffering from a severe, extreme, or life-threatening condition or who is caring for an immediate relative or household member who is suffering from a severe, extreme, or life-threatening condition.
2. A probationary, temporary, or contracted employee with a limited-term appointment is not eligible to participate in the leave sharing program. An employee may not use more than four months donated leave in any twelve-month period and an employee may not retain leave beyond the occurrence necessitating the leave.
3. The human resource services division shall:
 - a. Require medical certification from a physician, physician assistant, psychologist, or advanced practice nurse practitioner verifying the severe, extreme, or life-threatening nature of the medical condition and the expected duration of the condition;
 - b. Track the amount of leave taken by permanent state employees under the program; and

c. Adopt rules in accordance with chapter 28-32 to implement this section.
