

**Sixty-seventh Legislative Assembly of North Dakota
In Regular Session Commencing Tuesday, January 5, 2021**

HOUSE BILL NO. 1183
(Representatives Louser, Headland, Magrum, Mock, Roers Jones, Weisz)
(Senators Burckhard, Klein, Luick, Myrdal, Vedaa)

AN ACT to create and enact two new sections to chapter 23-35 of the North Dakota Century Code, relating to requiring public health units to adopt the technical guide for onsite wastewater recycling treatment and establishing the onsite wastewater recycling technical committee; to provide for a legislative management report; and to provide for application.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. A new section to chapter 23-35 of the North Dakota Century Code is created and enacted as follows:

Public health units to adopt onsite wastewater recycling treatment guide.

Each public health unit shall adopt the statewide technical guide for onsite wastewater recycling treatment technologies and sewage distribution technologies established by the onsite wastewater recycling technical committee.

SECTION 2. A new section to chapter 23-35 of the North Dakota Century Code is created and enacted as follows:

Onsite wastewater recycling technical committee - Appointment - Duties.

1. The onsite wastewater recycling technical committee consists of:
 - a. Three representatives from local public health units appointed by the governor from a list of names forwarded by local public health units;
 - b. Four individuals who must be installers appointed by the governor. The governor shall appoint the individuals from a list of names forwarded by a professional onsite wastewater recycling association. For purposes of this section, an installer means an individual licensed by a local public health unit to install onsite wastewater sewage treatment systems; and
 - c. One individual who must be a licensed environmental health practitioner appointed by the governor from a list of names forwarded by a professional onsite wastewater recycling association.
2. The director of the department of environmental quality or the director's designee shall provide input at the request of the committee.
3. The terms of the committee members are for four years, and members may be reappointed.
4. The committee shall:
 - a. Meet at the call of at least three of the members.
 - b. Create a statewide technical guide for onsite wastewater recycling treatment technologies and sewage distribution technologies.
 - c. Recommend standards and procedures for issuing an installer license.
 - d. Recommend continuing education requirements for installer license renewal.

e. Recommend reasonable fees for issuing or renewing an installer license.

SECTION 3. REPORT TO LEGISLATIVE MANAGEMENT - ONSITE WASTEWATER RECYCLING TECHNICAL COMMITTEE. Before November 1, 2022, the onsite wastewater recycling technical committee shall submit a report to the legislative management on the status of the statewide technical guide and the committee's recommendations.

SECTION 4. APPLICATION. The governor shall appoint individuals to fill the committee positions in accordance with this Act, and the terms of those appointees must be staggered so not more than two positions expire in any year. To accomplish the staggering, the initial term of those appointees may be for less than four years.

Speaker of the House

President of the Senate

Chief Clerk of the House

Secretary of the Senate

This certifies that the within bill originated in the House of Representatives of the Sixty-seventh Legislative Assembly of North Dakota and is known on the records of that body as House Bill No. 1183.
