 - a. If a committee of the legislative assembly determines a measure affecting the legacy fund was referred to committee without a cost-benefit analysis, the committee shall request a cost-benefit analysis. The committee may not act on the measure unless the measure is accompanied by the cost-benefit analysis.
 - b. If a committee of the legislative assembly determines a proposed amendment to a measure affects the legacy fund, the committee may not act on the proposed amendment unless the amendment is accompanied by a cost-benefit analysis or amended cost-benefit analysis.
4. The legislative management shall adopt a procedure for identifying measures and proposed measures affecting the legacy fund. The procedure must include solicitation of draft measures and proposals during the interim between legislative sessions from legislators and agencies with bill introduction privileges and must include deadlines for identification of the measures or proposals.
