AN ACT to amend and reenact sections 32-03.1-01, 32-03.1-02, and 32-03.1-02.2 of the North Dakota Century Code, relating to the Good Samaritan Act, actions barred, and immunity for persons offering wholesome food or grocery product.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Section 32-03.1-01 of the North Dakota Century Code is amended and reenacted as follows:

32-03.1-01. Definitions.

For the purposes of this chapter, the following terms shall have the designated meanings:

1. "Aid or assistance necessary or helpful in the circumstances" means any actions which the aider reasonably believed were required to prevent death or serious permanent injury, disability or handicap, or reasonably believed would benefit the injured or ill person, depending upon the aider's perception of the nature and severity of the injury or illness and the total emergency situation, and that the aider reasonably believed the aider could successfully undertake.
2. "Apparently wholesome food" means food that meets all quality and labeling standards imposed by federal, state, and local laws and regulations even though the food may not be readily marketable due to appearance, age, freshness, grade, size, surplus, or other conditions.
3. "Apparently fit grocery product" means a grocery product that meets all quality and labeling standards imposed by federal, state, and local laws and regulations even though the product may not be readily marketable due to appearance, age, freshness, grade, size, surplus, or other conditions.
4. "Appropriate person licensed or certified by this state or by any state or province to provide medical care or assistance" means any physician, nurse, emergency medical technician, or other medical or paramedical personnel whom the aider reasonably believes is such, based upon the representations of the person or that person's actions in providing medical aid.
- ~~3-5.~~ "Employed expressly or actually" means either that the person's formal duties include the provision of emergency medical aid, or that the person customarily provides such aid and is informally expected or relied upon to do so in the course of the person's employment.
- ~~4-6.~~ "Gross negligence" means acts or omissions falling short of intentional misconduct which nevertheless show a failure to exercise even slight care or any conscious interest in the predictable consequences of the acts or omissions. For the purposes of this chapter, "gross negligence" includes the failure of an aider to relinquish direction of the care of an injured or ill person when an appropriate person licensed or certified by this state or by any state or province to provide medical care or assistance assumes or attempts to assume responsibility for the care of the injured or ill person.

SECTION 2. AMENDMENT. Section 32-03.1-02 of the North Dakota Century Code is amended and reenacted as follows:

32-03.1-02. Actions barred.

SECTION 3. AMENDMENT. Section 32-03.1-02.2 of the North Dakota Century Code is amended and reenacted as follows:

32-03.1-02.2. Immunity for a licensed health care provider who provides volunteer medical care at free clinics - Immunity for persons offering wholesome food or grocery product.

1. A health care provider licensed under title 43 who renders medical care on a voluntary basis at a free clinic is not liable in any personal injury civil action for acts or omissions resulting in the rendering of that care unless it is plainly alleged in the complaint and later proven that the health care provider's acts or omissions constituted intentional misconduct or gross negligence. For purposes of this section, "voluntary" is defined as without receiving remuneration of any sort. "Free clinic" is defined as a clinic that is established to provide primary health care to persons who are otherwise unable to obtain medical services due to their lack of access to health insurance or medical assistance.
2. A restaurant, grocery store, or an individual or entity offering apparently wholesome food and apparently fit grocery products, free of charge may not be held liable for any acts or omissions resulting in the offering of food care unless it is plainly alleged in the complaint and later proven the act of the individual or entity constituted intentional misconduct or gross negligence.
