

**Sixty-eighth Legislative Assembly of North Dakota
In Regular Session Commencing Tuesday, January 3, 2023**

SENATE BILL NO. 2085
(Human Services Committee)
(At the request of the Department of Health and Human Services)

AN ACT to amend and reenact sections 23-47-02 and 39-21-41.4 of the North Dakota Century Code, relating to system registries for a comprehensive emergency cardiovascular medical system and safety belt usage by emergency medical services personnel; and to provide for a legislative management study.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Section 23-47-02 of the North Dakota Century Code is amended and reenacted as follows:

23-47-02. Acute cardiovascular emergency medical system - Duties of department.

1. Following consultation with and receipt of a recommendation of the acute cardiovascular emergency medical system of care advisory committee, the department shall establish and maintain a comprehensive emergency cardiovascular medical system for the state. The system must include standards for the following components:
 - a. A system plan.
 - b. Prehospital emergency medical services.
 - c. Hospitals, for which the standards must include:
 - (1) Standards for designation, redesignation, and dedesignation of receiving and referring centers.
 - (2) Standards for evaluation and quality improvement programs for designated centers.
 - (3) Recognition of a hospital as a STEMI receiving center or as a STEMI referring center. In making such recognition, the standards must include consideration of whether the hospital is:
 - (a) Accredited as a mission: lifeline STEMI receiving center or mission: lifeline STEMI referring center by the society of cardiovascular patient care and the American heart association accreditation process; or
 - (b) Accredited by a department-approved, nationally recognized organization that provides mission: lifeline STEMI receiving center and mission: lifeline STEMI referring center accreditation or a substantive equivalent.
 - d. System registries, for which the components must include a plan for achieving continuous quality improvement in the quality of care provided under the statewide system, including for STEMI response and treatment.
 - (1) In implementing this plan, the department shall maintain a statewide STEMI heart attack database that aggregates information and statistics on heart attack care. ~~The department shall utilize the ACTION registry get with the guidelines data platform, or other equivalent platform.~~

- (2) To the extent possible, the department shall coordinate with national voluntary health organizations involved in STEMI heart attack quality improvement to avoid duplication and redundancy.
 - (3) Designated receiving centers shall participate in the registry.
2. The proceedings and records of the program are not subject to subpoena, discovery, or introduction into evidence in any civil action arising out of any matter that is the subject of consideration by the program.

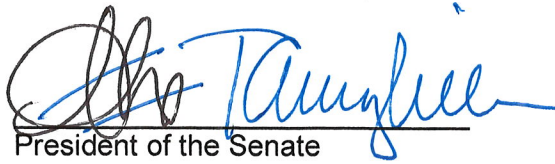

SECTION 2. AMENDMENT. Section 39-21-41.4 of the North Dakota Century Code is amended and reenacted as follows:

39-21-41.4. Use of safety belts required in certain motor vehicles - Enforcement - Evidence.

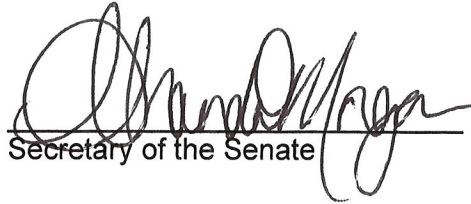

Subject to the limitations of this section and section 39-21-41.5, a driver may not operate upon a highway a motor vehicle designed for carrying fewer than eleven passengers, which was originally manufactured with safety belts unless each front seat occupant is wearing a properly adjusted and fastened safety belt. This section does not apply to a child in a child restraint or safety belt in accordance with section 39-21-41.2; to drivers of implements of husbandry; to operators of farm vehicles as defined in subsection 5 of section 39-04-19; to rural mail carriers while on duty delivering mail; to an occupant with a medical or physically disabling condition that prevents appropriate restraint in a safety belt, if a qualified physician, physician assistant, or advanced practice registered nurse states in a signed writing the nature of the condition and the reason restraint is inappropriate; to an occupant who is an emergency medical services personnel, during the provision of direct patient care; or when all front seat safety belts are in use by other occupants. A physician, physician assistant, or advanced practice registered nurse who, in good faith, provides a statement that restraint would be inappropriate is not subject to civil liability. A violation for not wearing a safety belt under this section is not, in itself, evidence of negligence. The fact of a violation of this section is not admissible in any proceeding other than one charging the violation.

SECTION 3. LEGISLATIVE MANAGEMENT STUDY - EMERGENCY MEDICAL SERVICES.

During the 2023-24 interim, the legislative management shall conduct a comprehensive study of the delivery of emergency medical services in the state. The study must include consideration of funding, taxation, access critical areas, demographics, volunteer training, volunteer retention, systems approach to rural areas, employment options, including access to a public safety pension, and educational reimbursements. The study shall also include consideration of distressed ambulance services, which are ambulance services that have indicated an intention to close or change their license level, or an ambulance service that fails to meet performance standards as established by the department of health and human services. The legislative management shall report its findings and recommendations, together with any legislation to implement the recommendations, to the sixty-ninth legislative assembly.
