AN ACT to amend and reenact section 39-21-52 of the North Dakota Century Code, relating to equipment exemption for certain street rod, collector, or special interest motor vehicles.

**BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

**SECTION 1. AMENDMENT.** Section 39-21-52 of the North Dakota Century Code is amended and reenacted as follows:

**39-21-52. Exemption for certain street rod, collector, or special interest motor vehicles.**

The provisions of this chapter or chapter 37-12-02 of the North Dakota Administrative Code relating to bumpers, tires, and fenders do not apply to street rod, collector, or special interest motor vehicles. However, a street rod, collector, or special interest vehicle must have all equipment, in operating condition, which was specifically required by law as a condition for its sale when it was first manufactured. For purposes of this section "street rod is, collector, or special interest vehicle" means a modernized motor vehicle which was manufactured before 1949 by a recognized manufacturer and which retains the general appearance and original body configuration as manufactured or a motor vehicle designed and manufactured to resemble such a motor vehicle, which is at least forty years old. A street rod, collector, or special interest vehicle may have improved modifications to the body, chassis, engine, brakes, power train, steering, and suspension systems either by modifying the original equipment or replacing original parts with fabricated parts or those taken from other existing vehicles. The director may adopt rules to implement this section.
