(2) Post the information on the school district's website before the date of the election or during the protest period in accordance with chapter 21-03;
 - d. Receive authorization for a bond issue in accordance with chapter 21-03; and
 - e. Submit a completed application to the Bank of North Dakota.
4. For a school construction project located on an air force base, to be eligible for a loan under this section, the board of the school district shall:
 - a. Propose a new construction or remodeling project on an air force base which has a cost of at least one million dollars and an expected utilization of at least thirty years;
 - b. Obtain the approval of the superintendent of public instruction for the project under section 15.1-36-01;

- c. Obtain all necessary federal authorizations and funding commitments for the project; and
- d. Submit a completed application to the Bank.
- 5. The superintendent of public instruction shall designate, until June 30, 2027, or until a loan is made as identified in this section, twenty million dollars of funds available for loans in the school construction assistance revolving loan fund for a loan to provide matching funds for the construction of facilities on an air force base.
- 6. The superintendent of public instruction shall review loan applications based on a prioritization system that includes a review of all applications filed during the twelve-month period preceding April first and gives consideration to:
 - a. Student occupancy and academic needs in the district;
 - b. The age of existing structures to be replaced or remodeled;
 - c. Building design proposals that are based on safety and vulnerability assessments;
 - d. Community support;
 - e. Cost; and
 - f. Any other criteria established by the superintendent of public instruction, after consultation with an interim committee appointed by the legislative management.
- ~~5.7.~~ If the superintendent of public instruction approves the loan, the Bank of North Dakota shall issue a loan from the school construction assistance revolving loan fund. For a loan made under this section:
 - a. If the school construction project totals less than seventy-five million dollars, the maximum loan amount for which a school district may qualify is fifteen million dollars. However, if a school district's unobligated general fund balance on the preceding June thirtieth exceeds the limitation under section 15.1-27-35.3, the loan amount under this section may not exceed eighty percent of the project's cost up to a maximum loan amount of twelve million dollars;
 - b. If the school construction project totals seventy-five million dollars or more, the maximum loan amount for which a school district may qualify is thirty million dollars. However, if a school district's unobligated general fund balance on the preceding June thirtieth exceeds the limitation under section 15.1-27-35.3, the loan amount under this section may not exceed eighty percent of the project's cost up to a maximum loan amount of twenty-four million dollars;
 - c. If the school construction project is on an air force base, the maximum loan amount for which the school district may qualify is the lesser of twenty percent of the project cost or twenty million dollars;
 - d. The term of the loan is twenty years, unless the board of the school district requests a shorter term in the written loan application; and
 - ~~d.e.~~ The interest rate of the loan may not exceed two percent per year.
 - e.f. A district with a school construction loan secured on the open bond market may apply to refinance the loan when callable with the school construction assistance revolving loan fund under this subsection.
 - f. ~~A district that qualifies for a loan under subdivision a, which was approved for a loan of up to ten million dollars for a construction project bid after January 1, 2021, and before~~

~~June 30, 2024, may apply for a loan in an amount equal to the difference between fifteen million dollars and the amount of the approved loan. Districts qualifying under this subdivision may submit an application for additional funding to the superintendent of public instruction before August 1, 2023.~~

- ~~g. A district that qualifies for a loan under subdivision b, which was approved for a loan of up to ten million dollars for a construction project bid after January 1, 2021, and before June 30, 2024, may apply for a loan in an amount equal to the difference between thirty million dollars and the amount of the approved loan. Districts qualifying under this subdivision may submit an application for additional funding to the superintendent of public instruction before August 1, 2023.~~

- 6-8. The Bank may adopt policies and establish guidelines to administer this loan program in accordance with this section. The Bank ~~of North Dakota~~ may use a portion of the interest paid on the outstanding loans as a servicing fee to pay for administration costs which may not exceed one-half of one percent of the amount of the interest payment. The Bank ~~of North Dakota~~ shall deposit principal and interest payments made by school districts for loans under this section in the school construction assistance revolving loan fund. The fund must be audited annually pursuant to section 6-09-29, and the cost of the audit must be paid from the fund.
